Summary:

I am a highly motivated and proactive student with a solid foundation in web development, creative media, and practical mechanical skills. Eager to leverage strong technical abilities in **HTML, CSS, JavaScript, Figma, and Adobe Photoshop**, combined with excellent teamwork and problem-solving skills, to contribute effectively as an intern in a dynamic environment

Education :

Design and Technology Institute (DTI), East-Legon, Ghana

- Diploma in Creative Media | Expected Completion: June 2025
Key Skills: Graphic Design, Video Editing, UI/UX Design
- CTVET Web Development Certificate | Expected Completion: June 2025
Key Skills: Web Design (HTML, CSS, JavaScript)

Projects :

➤ **Adukrom Community Tourism Website**

Role: Lead Web Developer (Front-End)

Designed and developed a comprehensive, responsive front-end website using HTML, CSS, and JavaScript to promote community-based tourism in Adukrom, Eastern Region. This project aimed to centralize information about local culture and attractions.

➤ **Youth Climate Action Awareness Website**

Role: Sole Web Developer (Front-End) & Content Designer

Independently designed and developed a comprehensive front-end website using HTML, CSS, and JavaScript. The site aimed to educate and advise youth on the

dangers, causes, effects, and solutions related to climate change, presented in an accessible and engaging format.

Experience :

Mechanical Apprentice | TTH Transport Service | Tema, Community 8, Ghana

- November 2021 – December 2024 * Assisted senior mechanics in diagnosing and repairing vehicle malfunctions, developing strong problem-solving and analytical skills.
- Performed routine maintenance checks and component replacements, demonstrating exceptional attention to detail and adherence to technical specifications.
- Operated and maintained various tools and equipment safely, applying practical knowledge in a hands-on environment.
- Collaborated effectively within a team to ensure efficient and timely service delivery for transport operations.

Skills:

Technical Skills: HTML, CSS, JavaScript, Figma, Adobe Photoshop

Soft Skills: Teamwork, Problem-Solving, Attention to Detail, Working Under Pressure, Interpersonal Communication, Creativity, Initiative
